ADG, IATSE Local 800

Bill Lakoff's versatility is demonstrated in many mediums from his contemporary music videos to commercials and features. Lakoff's spots and music videos with Michel Gondry have won awards and garnered him attention. His sets range from period to high tech to science fiction. In high profile network promos, Bill's designed for all the major networks including ABC, NBC, CBS and Fox with promos featuring their biggest stars and shows. Lakoff is laid back, loves a collaborative creative process, is good at problem solving with alternate approaches, and remains a pleasure to have on set as his repeat business demonstrates. Based in Los Angeles, Bill is also happy to travel.
