

BRUCE RESNIK

Script Supervisor

IATSE local 871

Bruce Resnik has over twenty years experience as a Script Supervisor working in features, television and commercials. He enjoys the detail intensive work and prides himself on catching any continuity errors before it costs the production time and money. Bruce's ability to cordially and effectively deal with actors and crew regarding line and blocking notes never make anyone feel awkward and production runs smoothly. Based in Los Angeles, Bruce is happy to travel for location work.
