*IATSE local #706*

*Cindy Miguens has worked as a Makeup Artist in Television for over twenty years and still loves what she does. She believes the old saying, "If you love what you do, you'll never work a day in your life." She began her career in Hawaii after receiving her Cosmetology License and doing makeup for local magazines. Soon she headed to Hollywood to pursue a career in entertainment. After graduating from Joe Blasco Makeup Academy, Cindy got her break on a student film when she met a stranger who passed her resume along to a producer. Three weeks later she landed her first television show! She happily credits part of her success to having met the right people at the right time and will always be thankful. Cindy works in features as well as television, but perhaps is best known for doing the full seven year run on Pretty Little Liars. She is exceptional with beauty makeup and still enjoys print work. Cindy is based in Los Angeles and available to travel.*
