

D.J. BARTON

Digital Script Supervisor

www.djscripty.com

IATSE local #161

With over thirteen years experience as script supervisor, D.J. Barton prides himself on having an incredible work ethic and has been often noted for his temperament on set by other department heads as being assertive, yet relaxed and always polite. D.J. works in Film, Television and Commercials and enjoys the variations of attention to detail that each provides. All of D.J.'s work is completed electronically using ScriptE and FileMaker Pro software and draws consistent praise from Editors. D.J. is Atlanta based and available to work anywhere.
