

ELISABETH DIETRICH-FRY

Makeup Artist / Dept. Head orlando-agency.com/makeup.html#

IATSE local #706

Growing up in Germany, Elisabeth Fry had a variety of careers until settling in as a master make up artist. Her father wished she'd taken over the family auto business rather than working for a plastic surgeon or as a wardrobe assistant. Fry had other goals in mind. Her life defining quote, "My dear friend, clear your mind of can't" (Samuel Johnson) is reflected in her dedication, artistry and wonderful personality. Elisabeth is a director's dream: fast, efficient and a pleasure to work with. Actors are comforted by her manner and smile (and how great she makes them look). With an eye toward directing, Elisabeth directed a well received short film *Alternate Endings*. Based in North Carolina, Elisabeth and her welsch corgi are happy to travel.
