ICG Local 600

Emmy winning DP Jeff Barklage LOVES the film business and the passion and artistry that goes into it. With over 25 years experience, Jeff's work in Features, Television and Commercials includes work for Weinstein Company, Universal & Paramount Pictures and many networks. Having worked his way up through the ranks, Jeff has an extensive special effects and lighting background and employs a unique lighting style utilizing unorthodox objects to control and breakup his light. Moving sources and shadows often play heavy in his shots. Simply put, Jeff LOVES to light. Jeff works in a variety of genres including comedy, drama, sci-fi, corporate, beauty and even tabletop and food. He has shot all over the world including Croatia, Hong Kong, Germany, Japan, England and more. Jeff stays on the cutting edge of technology in cameras, optics and lighting and owns an arsenal of digital cameras and support gear. Based in Ohio, Jeff is available to work anywhere and loves to travel!
