

JENNIFER CARRIERE

Digital Script Supervisor

IATSE local #161

Bi-lingual (English and French) Script Supervisor Jennifer Carriere prides herself on having the best work ethic in the business, as well as the ideal temperament; assertive but relaxed. Jennifer's work gets glowing praise from highly respected industry professionals like Greg Yaitanes, Andrew Bernstein, Bruce Beresford and many more from her hundreds of episodes of television and her forty features. She is also available as Supervising Producer which her same superior skill set carries over to including communication skills and the ability to get along with anyone. Jennifer is Atlanta based but loves location work and often travels for production.
