

# JEANIE DURONSLET

*Hair Dept. Head /Hair Stylist*

*IATSE Local #706*

*Jeanie Duronslet began her career in television on the daytime soaps Passions and Days of Our Lives. Her initial love of doing hair came from seeing how happy you can make people with a simple new hairstyle or cut. Hair styling runs in Jeanie's family as her grandmother was a long time stylist as well as her mother. Though they are no longer in the business, Jeanie has hit her stride doing a wide variety of television shows and genres from multi-camera to single camera half hour comedies to network hour dramas. Jeanie's expertise spans all wigs, including lace, and period hair. As Dept. Head or Personal, Jeanie can deal with any temperament and prides herself on running a calm and happy trailer. Jeanie is based in Los Angeles and happy to travel for work.*
