

JOE FOGLIA, C.A.S.

Production Sound Mixer

www.joefogliacas.com

Member, IATSE 695 & 479

Joe Foglia has been a leading force in Production Sound for over thirty years. Joe designed and built top-of-the-line mobile multi-track recording facilities including a 40 foot recording truck build-out, used by Crosby, Stills and Nash, Linda Ronstadt, Charlie Daniels and more. As Sound Mixer on Miami Vice, Joe received his first Emmy Nomination. He won his first Emmy for the single camera comedy series, Scrubs. As a visionary, Joe added a state-of-the-art Mobile Studio for location ADR services with an astounding list of equipment his company, Southeast Audio Services, offers for rent. It is an acoustically engineered dual-booth unit custom built by Vocalbooth.com. Joe can work Atlanta and Los Angeles local.
