IATSE local #706 & 798

Jeong-Hwa Fonkalsrud has worked as Makeup Artist for Features, Television, Theatre, Print and Commercials for over 20 years, from coast to coast, living in New York for ten years and now in Los Angeles. Her diverse training comes from Joe Blasco in Hollywood, Mephisto Hasso Von Hugo Makeup Academy in Berlin, Beauty Centre of Milan in Italy and Mode Art Institute in Seoul, South Korea. Her artistry includes beauty, glamour, high fashion, character, fantasy and considerable period work. Her Special Effects Makeup work includes design and application of old age, bald caps, tattoos, blood, wounds and more. Jeong-Hwa is also experienced in sculpting, mold making and fabrication of character and creature design. With her pleasant, enthusiastic attitude, she prides herself at getting along with anyone and running a smooth and professional Makeup trailer. Jeong-Hwa is fluent in three languages: English, Korean and German. With current IATSE memberships in both 706 and 798, Jeong-Hwa can work both Los Angeles and New York as true local and also available for work worldwide.
