

JOY ZAPATA

Hair Dept. Head/ Hair Stylist www.joyzapatahair.com

IATSE local #706, AMPAS

Joy's first break came from working at the AFI for actress Lee Grant who was directing her first student film "The Stronger". Joy donated her time and talent to bring this period film to life for the characters who were cast. It also led Lee Grant to win her second Oscar, this time in directing, for Best Student Film. Joy went on to work for Lee on Airport 77 and over the next two decades Joy worked with some of the biggest stars in film and television as Department Head or as Personal request including Personal for Jack Nicholson for over twenty years. Joy has earned five Emmy nominations, two wins and multiple other awards. Joy's support and dedication to her craft is only surpassed by her contagious energy on set. Highly respected, her expertise in every facet of hairstyling has given her the ability to run large departments smoothly and make her a dependable leader.
