IATSE Local 600

Director of Photography Michael Millikan is usually shooting, riding his motorcycle or keeping up with the latest technology and cameras. Michael's credits include unusual and diverse projects such as two seasons of "Criss Angel Mindfreak", the hybrid reality/magic/illusion series for A & E. Often overseeing multiple cameras for stunts and setups that can only be performed once, and with little prep time, Millikan is fast and thinks on his feet. From reality television to indie features to commercials and corporate pieces Michael enjoys all mediums. Based in Los Angeles, Michael is always ready to travel.
