

PATRICIA DeHANEY

Hair Dept. Head/ Hair Stylist

IATSE local #706

With over 20 years experience as a professional hair stylist, Patti Dehaney now works for A-list directors such as Clint Eastwood and Christopher Nolan. She began at a salon in Cleveland where she got an offer to style a non-union feature which ended up moving to Los Angeles to complete. She took the invitation to go and the film flipped and she was suddenly a union hair stylist. Patti's first feature as Key was Tank Girl which co-starred a little known Naomi Watts whom she would later also style for the acclaimed feature J. Edgar. Versatile in every aspect of hair styling and design, Patti also owns a custom wig company. Patti is based in Los Angeles but happy to travel as well.
