

# SHERRI B. HAMILTON

*Hair Dept. Head /Hair Stylist*

*IATSE Local 798*

*Sherri Hamilton is getting to do what she's always dreamed of doing since she was seven or eight years old when she asked her mother at that young age "How do I get my name on the tv like that?" Sherri loves learning the intricacies of hair: the tricks of the trade, the shorter way to do this, the temporary ways to do believable or exaggerated hair color, the products, the wigs and the haircuts. Sherri loves period hairstyling, including wigs and lace wigs, and all the creativity of hair that contributes to creating a character for the actor or actress. Sherri can work with any type of hair and diverse ethnicities and loves grooming men and women. She loves the hustle and energy that goes into a day on the set. She loves the opportunities she has to not only meet but work with outstanding and creative Producers, Directors, Actors and other Hair and Makeup professionals. A personal highlight of Sherri's career thus far is working on location as Hair Department Head with acclaimed director Dee Rees (Mudbound) in Puerto Rico on the feature drama The Last thing He Wanted starring Anne Hathaway. She has hit her stride and her hard work over the years is paying off. Based in New Orleans, Sherri is always happy to travel as well.*
