

# STEPHEN LLOYD

## Visual Effects Supervisor

Stephen Lloyd has over 23 years in the Visual Effects industry working in Feature films and Television. He still carries the same passion for his work as when he began in the Television industry in 1998 on the series Hercules and Xena Warrior Princess. Since then, he has grown and mastered his skills through his diverse experience and is now well versed in many areas of Post Production including Senior VFX Artist, Producer and Supervisor. His credits include acclaimed series Morning Show, Servant, Blacklist and Narcos Mexico as well as Features Harry Potter & The Deathly Hallows (Parts 1 & 2), The Help, 300, Conjuring 2 and Best Picture Oscar winner Green Book. Stephen's success came from being willing to go above and beyond in everything he does and maintaining that passion throughout. He strives to deliver nothing shy of his best and Producers have come to request and trust him, rely on his expertise, his exceptional vendors, and his commitment to make sure the end result exceeds expectation. Stephen is Atlanta based but happy to travel for work.
