

SUSAN MCGUIRE

DGA UPM / 1st Assistant Director

Directors Guild of America

With over 20 years experience in the entertainment industry, Susan McGuire started in the Editorial bay and eventually worked her way to the set. "I went from being a production assistant to UPM and everything in between". Susan has worked on low, medium and high budget projects which also contributes to her well rounded experience. While budgeting and scheduling are definitely strong suits for her, Susan understands the need for efficiency and maintaining a strong line of communication throughout the crew and production. Susan can work as DGA UPM or 1st AD as well as Producer. Based in Los Angeles and Nashville, Susan is happy to travel for work.
