

YOLANDA SHERIDAN

Makeup Artist / Dept. Head

IATSE local #798

The artistry of makeup has been embedded in Yolanda Sheridan's spirit since she was a teenager. Yolanda's journey as a makeup artist started many years ago as a beauty representative for Clarins, Yves St. Laurent and Fashion Fair cosmetics in the U.S. and the Bahamas. That led to freelancing as a makeup artist where she learned the true meaning of her skills. As a skincare specialist and skilled esthetician, Yolanda works with all ethnicities and skin types and excels with actors with problematic skin conditions. Many actors request her for this ability. Yolanda also works in the Sports world on special projects with the NBA on TNT, NFL TV and HBO Boxing After Dark with such star athletes as Deion Sanders, Magic Johnson, Lennox Lewis and Charles Barkley. Ms. Sheridan is based in Atlanta, Georgia and happy to travel.
