

CHRIS DUESTERDIEK, C.A.S.

Production Sound Mixer

Member, IATSE 891

Chris Duesterdiek has had sound running through his veins from early on starting with a job in radio at the young age of seventeen. Thirty five years later he is now considered one of the top Production Sound Mixers in Canada. With an impressive sixteen awards and nominations to his credit including both a BAFTA and Cinema Audio Society Award as well as an Academy Award Nomination for his work on the highly acclaimed film The Revenant. Chris has never shied away from the challenges of complicated projects, whether they be environmental or technical. His creative ability has brought great results to each project he has had the honor to be part of. In 2016 Chris was invited to be a member of the Academy of Motion Picture Arts and Sciences . Since then he continues to add to the impressive list of Directors and Cast he has worked with. Based out of Vancouver, Chris is always happy to travel and has shot around the world.
