Kevin Emmons traveled extensively throughout the U.S. as a kid, moving often as a military brat. He lived everywhere from New York to Hawaii and always seemed to have a camera in hand, documenting his travels from a very young age. Capturing the world around him through photography became a lifelong passion. After graduating college Kevin combined his love for travel and filmmaking. He circled the globe for years shooting documentaries in China, Russia, Tibet and Cuba to name but a few locations. His passion for cinematography soon led him into the world of advertising where he made his way up through the ranks as a loader, AC, Operator and then DP.

Kevin has been Operator and DP on over 1500 commercials and works in many genres including automotive, sports, comedy, lifestyles, effects, fashion and beauty. He has considerable repeat business, working for some clients for over ten years on multiple accounts. Kevin is a member of the S.O.C. and Local IATSE 600.

Kevin works as a local in Los Angeles and Albuquerque, NM.
