

REBECCA WOODFORK

Hair Dept. Head/ Hair Stylist

IATSE local #798

Rebecca Woodfork has been a Hair Stylist for Features and Television for over sixteen years and recently received only critical acclaim for her detailed and authentic period Department Head work on Judas & The Black Messiah. It was one of 2020's best reviewed and the highest audience awareness film of all eight Best Picture Academy Award nominees. Rebecca followed that film with the intimate George Clooney directed The Tender Bar based on the best selling novel. Rebecca is not one to be pigeon-holed. She strives for versatility in her work and choices of projects and seeks diversity in the casts she works with. Rebecca enjoys challenges and quality projects that up her game. Based in Boston, Rebecca often works on location and is happy to travel.
